

Brandon Lye – Curriculum Vitae

Brandon Lye

EMBA, B. Engineering (Hons)

Over 25 years of corporate, consulting and investment experience across Asia Pacific, specializing in investment, business management and strategic partnership.

Brandon started his career as an engineer and moved across several business functions including sales, business development, project management and investment.

Currently serving as CEO & Managing Director at Neil Ventures, a fund manager, investment and business consulting firm, Brandon provides strategic guidance and bespoke solutions to clients. Brandon is also a co-lead partner in 2 real estate development funds investing in Singapore and Japan.

Brandon's professional experience includes a role as a Director at PricewaterhouseCoopers Singapore (PwC Singapore), where he led the Deals advisory practice in Singapore and Myanmar. In Myanmar, Brandon has worked with both public and private sectors including local SMEs and conglomerates.

Before joining PwC, Brandon served as the Executive Vice President at Surbana Jurong, a Singapore's Temasek owned global urban, infrastructure, and managed services consulting firm. In this capacity, he led the firm's expansion overseas spearheading successful M&A transactions in China and Australia.

Brandon possesses extensive knowledge and experience in doing business globally especially in the emerging markets. Brandon has the experience in setting up new offices and doing international business development in overseas markets such as China, Hong Kong, Indonesia, Thailand, Vietnam, the Philippines, Japan, India, Dubai and Saudi Arabia and the UK.
