Professional Summary

Thuzar Win is a dynamic business leader with over 20 years of experience across business development, corporate governance, strategic planning, and professional development. Her career spans senior leadership roles in both private and public organizations, including:

- Training Officer at Total Myanmar
- Business Development Director and Executive Director at Alpha Power Engineering
- Independent Board Director at Early Dawn Microfinance

She has successfully led initiatives in strategic direction, financial planning, commercial negotiations, human resource development, and supplier relationship management.

Key Achievements

- ❖ Spearheaded a 40% increase in sales by driving brand visibility for international companies such as LS, Cewe, and Secure
- ❖ Played a leading role in securing commercial deals that contributed to a 45% increase in project sales over four consecutive years
- ❖ Led organizational transformation through Diversity & Inclusion (D&I) initiatives, earning the ASEAN Business Award (2020)
- ❖ Promoted a positive, high-performance culture with a strong emphasis on ethical leadership, mentorship, and gender inclusion

Leadership & Mentorship

As a mentor and public advocate, Thuzar Win is committed to empowering individuals and teams by fostering critical thinking, problem-solving, and leadership capacity. Her mentorship style is growth-oriented, results-driven, and aligned with high ethical standards—enabling both short-term achievements and long-term success.
